YACHTS VISIT MATTAPOISETT

The Mattapoisett wharf has been the scene of much activity this week as the town enjoyed a visit by the Blue Water Sailing Club of Scituate. The group of sailing yachts raced from the Canal on Monday and stayed the night in the harbor. The graceful craft attracted visitors by the hundred as the word spread of their arrival. On Tuesday, a large square rigger, The Shenendoah, dropped anchor off the wharf. She was a beautiful sight as she entered the harbor under full sail. On the cover are two views of the visitors from Scituate.

MATTAPOISETT GRANGE

It is with great pride that the report of the Community Progress Program of Mattapoisett Grange has been submitted to the Massachusetts State Grange Master, John E. Johnson of Chelmsford.

The main project was the painting of the exterior of the Grange Hall and fixing up the grounds, plus the hospital work, Conservation, public relations, youth, social activities, helping other Granges with their programs, Community improvement service to help build a better rural community. All this and more by a committee appointed to carry on the work and conduct the financial part of the program. To do all this they were supported by every member of the Grange and many many friends of the Grange who were not members.

The Program of Progress will continue, and trust the community will be proud that the Grange is one of its several wonderful working organizations. This has been a wonderful experience, regardless of any recognition.

on Monday, July 26th. The weather vane which stood up to many a gale caved in to a storm in February and was removed for repairs. Painters have been working on the school trim recently and they rigged a ladder to the tower. Monday the vane was soldered and George of Edwin L. Perkins Company climbed the ladder to look over the base. He found a stiff offshore wind and a bit of a problem concerning the shaft of the vane He very wisely refrained from the attempt to replace the weather vane from the ladder. On Wednesday, a crane was brought in and the weather vane was replaced from it. This crowning touch climaxes quite a summer of improvement for the school which looks so improved in the newly painted trim. The gleaming new aluminum flagpole, which was installed recently at the Barstow Street entrance, also adds to the appearance of the school.

LOWELL LITTLE LEAGUE TEAM IN MARION

The Highland Park Little League All Stars of Lowell, Massachusetts will travel to Marion's Washburn Park to engage in an exhibition baseball game with Cape Way All Stars August 7th at 2 P.M. This highlight in Little League baseball competition was made possible by a former Mattapoisett resident and native son of this area, Mr. Joseph M. DeCosta, brother of Mrs. Joseph Frasier of Fairhaven Road, Mattapoisett. Mr. DeCosta, long active in Little League affairs in Lowell, has served in many capacities. Both he and his committee have led the boys to rich wholesome and educational associations in tours of various New England, New Jersey and New York exhibitions of baseball, combining good baseball with sight-seeing, camping, visits to museums and other educational activities for the boys in his charge.

Mr. Claude B. Ellis, director of recreation for the tour of Marion and chairman of the Cape Way Little League, has permitted the use of

150 Years Ago -- 1815

The end of the war was greeted with tremendous relief. At a Town Meeting held March 1, 1815, it was voted:

"The inhabitants of the town of Rochester in town meeting assembled taking into consideration the signal interposition of Divine Providence in restoring the blessings of peace to this distrest country by which the further effusions of human blood is prevented, the ravages of our seacoasts are terminated and the prospect of commercial prosperity are again indubitable.

"Therefore resolved that we will set apart Wednesday, the eighth day of March instant to be spent in solemn worship of Almighty God on this joyful occasion and that the several clergymen be requested to prepare and deliver a discourse suitable to the joyful occasion, public worship to begin again at one o'clock P.M."

At the same meeting it was voted to put up at auction the support of the paupers for one year, to be struck off to the lowest bidder. They were struck off for $1200.

July 1. Very warm. Thermometer about 85. Crops look finely. People are haying. The railroad from New Bedford to Taunton opened today. Our daily stage (in other places he calls it the "way carriage" to New Bedford) is a great convenience.

(The temperature of 85 was a great contrast from the previous winter when for weeks the thermometer had been down around zero, the harbor frozen with 12 inch ice, and no shipping in or out.)

July 3. William Robinson lost and boat, went out fishing. (S)

July 4. We had a fine celebration.....and

great procession. The meeting-house (Grange Hall) elegantly decorated, and we had our new organ excellent music.

July 5. Afternoon, six o'clock, we had a very interesting meeting aboard a barque-ship, soon to sail for the Indian Ocean. There was a large congregation.

July 6. A very valuable colored man here went out fishing in a boat alone last Friday and has not been heard of; supposed to be lost. He has left a good wife and three small children.

July 7. E. Adams sld. (S)

July 8. Wm. Robinson's boat found to the eastward of sunken rock, at anchor and sunk. (S)

July 9. Wm. Robinson found at Goat Island Cove (S). The body of the worthy black man lately drowned was found, and we had in the afternoon an affecting funeral.

July 10. Very warm. Thermometer 85.

July 11. My shade trees suffering from worms.

July 12. Brig Sarah sld. (S). Suffered a good deal by the heat. The mercury at noon was 87 1/2.

July 13. Our rains are light, and the ground is dry.

July 15. There was a wretched circus here.

"Teensy" Lopes took the win.

At Center School Field Mattapoisett Blues were treated rudely by the Marion Eagles 10 to 2. Win Hayes, the winning pitcher.

At Raynor Gifford Memorial Field the Rochester Royals and the Mattapoisett Greens were locked in a scoreless tie going into the third inning when Rochester bats came to life and when the game was over the score read 7 to 1, Rochester's favor. Kevin Knight's 4-hitter was equaled by teammate, Dickie Sylvia, prowess with the bat, getting a triple, double and single for a 3 for 3 stint. This was a big win for the Royals. With it they laid undisputed claim to the league championship winning both rounds and making a play-off unnecessary.

At a League sports night in Marion at the Benjaming Cushing VFW Hall the Royals will be duly honored and properly presented the Warren "Warpi" Doane Memorial Trophy. This prize has special meaning to the Rochester Royals, it being named after a renown athlete and favorite son of Rochester - a former organizer of the Cape Way Little League. The Royals take this to Rochester for the first time.

The best team won - and the others must wait for next year.
